

LGS sets its footprint into the Pharma Vertical

Time for some more celebration for folks at LGS, as we bag another SAP project from Noel Pharmaceuticals.

Noel Pharma a multi Crore Pharmaceutical Company, with its corporate office at Hyderabad, India and manufacturing units at Baddi and Shimla in Himachal Pradesh. A well known company among the manufacturers of bulk drugs, Noel Pharma is popular all over the country for its reputed brands like Metroquin, Colinol, Nefdil to name a few.

The company also supplies Formulated Chemical Products, Drugs, Medicines and Clinical Reagents, Chemical Products all over India.

This SAP - ERP implementation covers finance and logistic modules. This engagement would open doors for many opportunities in the similar stream and facilitates to strengthen LGS' position in the healthcare vertical.
